The West Afterschool Center is once again sponsoring the Summer Lunch program in Lancaster. All children, ages 2—18 can have a free lunch each day here at Tallmadge! Adults can purchase a lunch for \$2.00. Program begins June 4th at 11:30.

## Planning for Next Year!

As this school year winds to a close, it is all ready time to start looking ahead to fall. If

your child has been enrolled in the after school program this year, please consider if you would like him/her to be enrolled again next year. A list will be compiled and reviewed at the beginning of the school year by the after-

school staff. Grades, attitude, and availability will be considered, however, children currently enrolled will have first priority. Please let Jane Hart or Kristin Smith know if you would like your child on the list for next school year.

## Summer Learning

During the summer months, students lose important information learned during the school year. It is important to continue the learning process during the summer. Below are some ideas to help avoid the "brain drain".

- Go to the library & attend special programs
- Read a book a day
- Get out & play
- Continue a regular sleep and eating schedule
- Write each week to a relative or friend
- Keep a journal of summer events
- Practice math facts
- Do science experiments
- Take a trip to the park, read a book & play!
- Make crafts with your child

## Summer Child Care

If you are in need of summer child care, please call the West After School Center for more information. Child care will be available for

\$125.00 per week, per child. A minimum of 3 days per week is required. (\$75.00) Registration deadline is May 15th. Call 653-5678 if you are interested.
